

# Scripting an Indic narrative

Sree M Iyer

# Bharata Varsha

## India that is Bharat...

- Is it the one described in Romila Thapar's textbooks or
- Is it the one that has been there eternally but suppressed for the last 250 years?

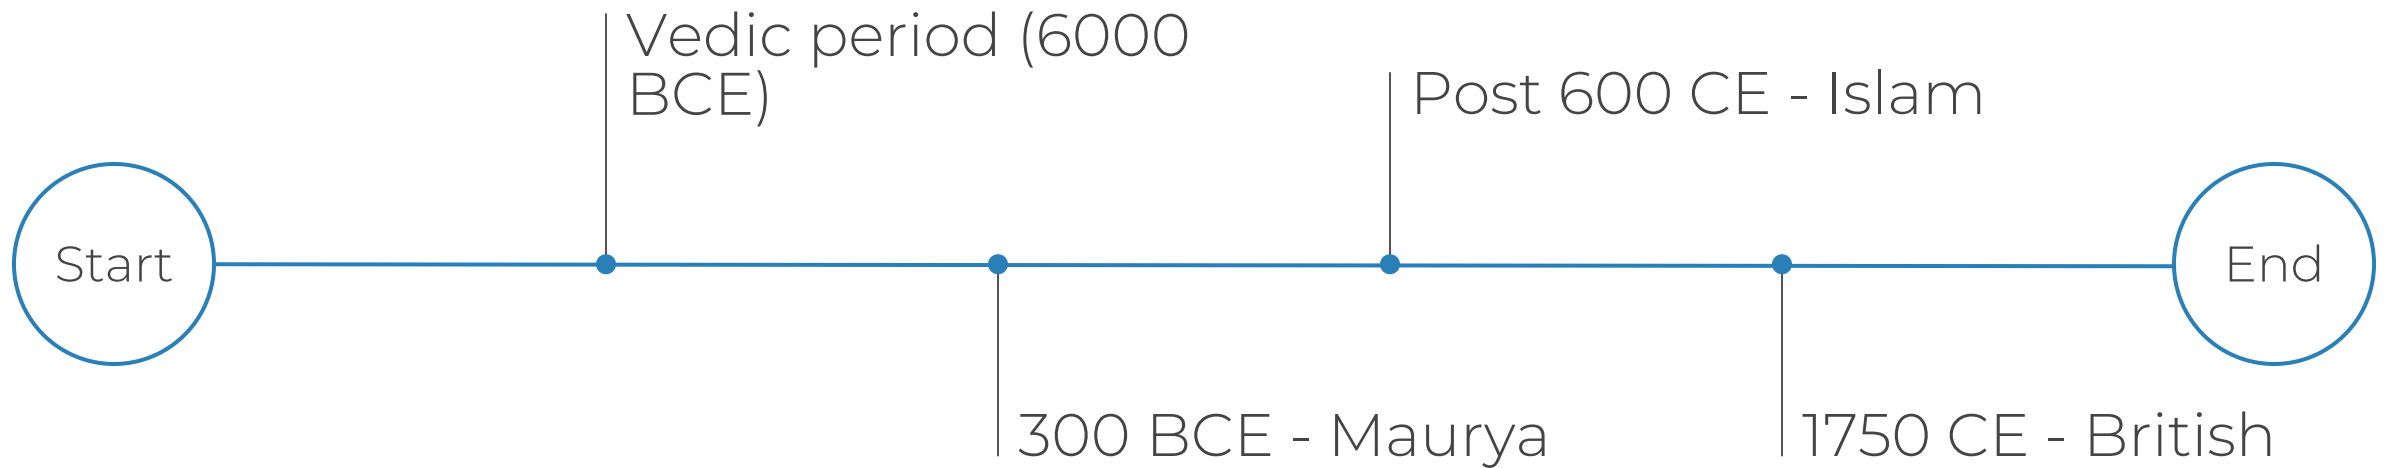

## Fake Narratives

- A small minority of Left Liberals have occupied the majority of academic positions and continue to distort the history

## What is the way out?

- Fight them with facts
- Fight them in the forums, the educational boards, the universities
- Fight them across the world

# The Indic narrative

# India that is Bharat

- Bharata Varsha is that they are the followers of Sanatana Dharma (The Eternal Order, The Eternal Dharma).
- One definition of Dharma is Dharayati iti Dharma, i. e. one that flows  
It can also be called as The Eternal Flow

# Fake Narratives

## Aryan Invasion Theory

- Sanskrit was the language of the rulers and elite
- Aryans came from modern day Europe (Steppes)

## Left Liberal historians were lazy

- Indian textbooks essentially regurgitate what the British had set, to keep India divided
- Detailed Moghul period, no mention of Marathas, Vijayanagar empire, Lalitaditya

# Recent occurrences

## Caste Bill in the UK

- Identified close to 50% of Hindus, Jains and Sikhs to be from lower caste and wanted a reservation bill
- Divide and Conquer all over again. Create Hinduphobia amongst a section
- Indian Britons comprise about 2.3% of UK population and contribute 6% of its GDP
- Hindu groups resisted and have forced the govt. to rethink implementing this law

# California Board of Education

## Mis-representation of India's History

- Curriculum for Grades 5-7 changed, merging Indian History as South Asian History
- California Board tried to do an “inside job” by asking some of the members who drafted the framework to be part of a “Public Comment” group to ensure that the narrative stays anti-Hindu
- CAPEEM (California Parents for the Equalization of Educational Materials) sued the California Dept. Of Education and the trial is on

# USCIRF

## United States Commission on International Religious Freedom

- Brings in the Kancha Ilaiahs/ John Dayals to the US to bash India's Caste system
- Indian Govt. typically ignores them - wrong approach. Take them on like China does and ask US to first clean its own house
- After much furor, a Hindu has been finally appointed on this commission - however the jury is still out on this person's knowledge of Sanatana Dharma

# Closer to home...

## Take back control of our temples

- Alarming loot of India's temples
- Temples in Tamil Nadu, Kerala, Karnataka, AP and Telangana are all being looted by respective governments
- RTE must be repealed or made uniform across the country

# In summary...

The battle has just begun

- Virat Hindustan Sangam, a non-political organization is at the forefront of educating and empowering the youth of India
- Sarve Janaha Sukhino Bhavantu
